The New NHS: ICS Series, 2 February 2022
 Last year we ran a series of events about future of the NHS and ICSs, and developed a number of briefings, which were very well received. The first in this year's series we will focus on 'Systems and Governance in an Integrated Care Board'. We will explore what the main duties and responsibilities will be, the challenges and the opportunities it brings. [Read more](#)

Dr Matthew Carr

Dr Kam Seehra

Musculoskeletal Pathways Roundtable, 10 February 2022
 We are collaborating with Optima Health, an organisation which manages employee health and health risk in both the private and public sectors, on a roundtable event exploring: dealing with the MSK backlog, barriers to health service solutions and reducing unwanted variation within the MSK pathway within the context of integrated care systems.

Paul Cleal OBE

Nabil Jamshed

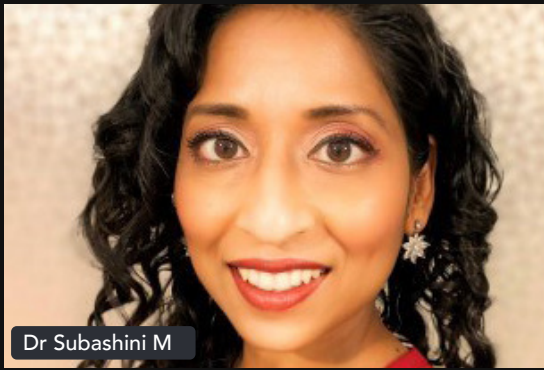

Non-Executive Directors webinar, 4 February 2022

This week's speakers are Nabil Jamshed, non-executive director at Black Country NHS Foundation Trust, and Paul Cleal OBE, non-executive director at Guy's and St Thomas' NHS Foundation Trust, who will be leading the conversation on Rebuilding Trust - Delivering Change: The NHS, Covid and Equalities. Whitepaper Launch – 'resetting the digital premium', 16 February 2022

The UK and the world have been through a great deal of change and upheaval over the last couple of years, with much focus on the COVID-19 pandemic. To support people within health and social care and beyond, many organisations have moved swiftly into a more 'digital first' approach to the delivery of core services.

Michael Pace

John Culkin

Procurement Roundtable, 17 February 2022

GGI and Optima Health are developing a white paper about the new landscape brought by the introduction of ICSs and how it will impact the purchasing of products to save the NHS time and money. Which organisations are ahead in the procurement space? How can others follow?

Paul Jennings

**University Hospitals
Birmingham**
NHS Foundation Trust

Non-Executive Directors webinar, 11 February 2022

This week's speaker is Paul Jennings, non-executive director at University Hospitals Birmingham NHS Foundation Trust who will be leading the conversation on the pathway to End of Life Care. [Read more](#)
